ARTICLE II

THE SERIES 2015B BONDS

SECTION 2.01. *Authorization.* The Board hereby authorizes the issuance of the Series 2015B Bonds in the aggregate principal amount not to exceed \$11,000,000 under and subject to the terms of Article XIII A, Section 1 paragraph (b) of the California Constitution, the Bond Law and this Resolution, for the purpose of raising money for the prepayment of all or a portion of the District's 2010 Refunding Certificates of Participation in accordance with the Bond Measure and to pay Costs of Issuance. This Resolution constitutes a continuing agreement between the District and the Owners of all of the Series 2015B Bonds issued or to be issued hereunder and then Outstanding to secure the full and final payment of principal thereof and interest and premium, if any, on all Series 2015B Bonds, subject to the covenants, agreements, provisions and conditions herein contained. The Series 2015B Bonds will be issued as current interest bonds, and shall be designated the "Sulphur Springs Union School District (Los Angeles County, California) Taxable General Obligation Bonds, Election of 2012, Series 2015B".

SECTION 2.02. *Terms of Series 2015B Bonds.*

(a) Terms of Series 2015B Bonds. The Series 2015B Bonds will be issued as fully registered bonds, without coupons, in the denomination of \$5,000 each or any integral multiple thereof, but in an amount not to exceed the aggregate principal amount of Series 2015B Bonds maturing in the year of maturity of the Current Interest Bond for which the denomination is specified. Series 2015B Bonds will be lettered and numbered

as the Paying Agent may prescribe. The Series 2015B Bonds will be dated as of the Closing Date.

Interest on the Series 2015B Bonds is payable semiannually on each Interest Payment Date. Each Current Interest Bond will bear interest from the Interest Payment Date next preceding the date of registration and authentication thereof unless (i) it is authenticated as of an Interest Payment Date, in which event it will bear interest from such date, or (ii) it is authenticated prior to an Interest Payment Date and after the close of business on the Record Date preceding such Interest Payment Date, in which event it will bear interest from such Interest Payment Date, or (iii) it is authenticated prior to the first Record Date, in which event it will bear interest from the Closing Date. Notwithstanding the foregoing, if interest on any Current Interest Bond is in default at the time of authentication thereof, such Current Interest Bond will bear interest from the Interest Payment Date to which interest has previously been paid or made available for payment thereon.

(b) Maturities; Basis of Interest Calculation. The Series 2015B Bonds will mature on September 1, 2045 (unless otherwise provided in the Bond Purchase Agreement) in the years and in the amounts, and will bear interest at the rates, as determined upon the sale thereof.

(c) CUSIP Identification Numbers. CUSIP identification numbers will be imprinted on the Series 2015B Bonds, but such numbers do not constitute a part of the contract evidenced by the Series 2015B Bonds and any error or omission with respect thereto will not constitute cause for refusal of any purchaser to accept delivery of and pay for the Series 2015B Bonds. In addition, failure on the part of the District to use such CUSIP numbers in any notice to Owners of the Series 2015B Bonds will not constitute an event of default or any violation of the District's contract with such Owners and will not impair the effectiveness of any such notice.

(d) Payment. Interest on the Series 2015B Bonds (including the final interest payment upon maturity or redemption) is payable by check, draft or wire of the Paying Agent mailed to the Owner thereof (which will be DTC so long as the Series 2015B Bonds are held in the book-entry system of DTC) at such Owner's address as it appears on the Registration Books at the close of business on the preceding Record Date; except that at the written request of the Owner of at least \$1,000,000 aggregate principal amount of the Series 2015B Bonds, which written request is on file with the Paying Agent as of any Record Date, interest on such Series 2015B Bonds will be paid on the succeeding Interest Payment Date to such account as will be specified in such written request. Principal of and premium (if any) on the Series 2015B Bonds is payable in lawful money of the United States of America upon presentation and surrender at the Office of the Paying Agent.

(e) Provisions of Bond Purchase Agreement to Control. Notwithstanding the foregoing provisions of this Section and the following provisions of Section 2.03, any of the terms of the Series 2015B Bonds may be established or modified under the Bond Purchase Agreement. In the event of a conflict or inconsistency between this Resolution and the Bond Purchase Agreement relating to the terms of the Series 2015B Bonds, the provisions of the Bond Purchase Agreement will be controlling.

SECTION 2.03. *Redemption of Series 2015B Bonds.*

(a) Optional Redemption Dates and Prices. The Series 2015B Bonds are subject to redemption prior to maturity, at the option of the District, in whole or in part among maturities on such basis as designated by the District and by lot within a maturity, from any available source of funds, on the dates and at the respective redemption prices as set forth in the Bond Purchase Agreement.

(b) Mandatory Sinking Fund Redemption. If the Bond Purchase Agreement specifies that any one or more maturities of the Series 2015B Bonds are term bonds which are subject to mandatory sinking fund redemption, each such maturity of Series 2015B Bonds shall be subject to such mandatory sinking fund redemption on September 1 (unless otherwise provided in the Bond Resolution) in each of the years and in the respective principal amounts as set forth in the Bond Purchase Agreement, at a redemption price equal to 100% of the principal amount thereof to be redeemed (without premium), together with interest accrued thereon to the date fixed for redemption. If any such term bonds are redeemed under the provisions of the preceding clause (a), the total amount of all future payments under this subsection (b) with respect to such term bonds shall be reduced by the aggregate principal amount of such term bonds so redeemed, to be allocated among such payments on a pro rata basis in integral multiples of \$5,000 (or on such other basis as the District may determine) as set forth in written notice given by the District to the Paying Agent.

(c) Selection of Series 2015B Bonds for Redemption. Whenever less than all of the Outstanding Series 2015B Bonds of any one maturity are designated for redemption, the Paying Agent shall select the Outstanding Series 2015B Bonds of such maturity to be redeemed by lot in any manner deemed fair by the Paying Agent. For purposes of such selection, each Bond will be deemed to consist of individual bonds of \$5,000 portions. The Series 2015B Bonds may all be separately redeemed.

(d) Redemption Procedure. The Paying Agent will cause notice of any redemption to be mailed, first class mail, postage prepaid, at least 30 days but not more than 60 days prior to the date fixed for redemption, to the respective Owners of any Series 2015B Bonds designated for redemption, at their addresses appearing on the Registration Books. Such notice may be a conditional notice of redemption and subject to rescission as set forth in (e) below. Such mailing is not a condition precedent to such redemption and the failure to mail or to receive any such notice will not affect the validity of the proceedings for the redemption of such Series 2015B Bonds. In addition, the Paying Agent will give notice of redemption by telecopy or certified, registered or overnight mail to the Municipal Securities Rulemaking Board and each of the Securities Depositories at least two days prior to such mailing to the Series 2015B Bond Owners.

Such notice shall state the redemption date and the redemption price and, if less than all of the then Outstanding Series 2015B Bonds are to be called for redemption, shall designate the serial numbers of the Series 2015B Bonds to be redeemed by giving the individual number of each Series 2015B Bond or by stating that all Series 2015B Bonds between two stated numbers, both inclusive, or by stating that all of the Series 2015B Bonds of one or more maturities have been called for redemption, and shall require that such Series 2015B Bonds be then surrendered at the Office of the Paying Agent for redemption at the said redemption price, giving notice also that further interest on such Series 2015B Bonds will not accrue from and after the redemption date.

Upon surrender of Series 2015B Bonds redeemed in part only, the District shall execute and the Paying Agent shall authenticate and deliver to the Owner, at the expense of the District, a new Series 2015B Bond or Bonds, of the same maturity, of authorized denominations in aggregate principal amount equal to the unredeemed portion of the Series 2015B Bond or Bonds.

From and after the date fixed for redemption, if notice of such redemption has been duly given and funds available for the payment of the principal of and interest (and premium, if any) on the Series 2015B Bonds so called for redemption have been duly provided, the Series 2015B Bonds called for redemption will cease to be entitled to any benefit under this Resolution other than the right to receive payment of the redemption price, and no interest will accrue thereon on or after the redemption date specified in the notice. The Paying Agent will cancel all Series 2015B Bonds redeemed under this Section and will furnish a certificate of cancellation to the District.

(e) Right to Rescind Notice of Redemption. The District has the right to rescind any notice of the optional redemption of Series 2015B Bonds under subsection (a) of this Section by written notice to the Paying Agent on or prior to the date fixed for redemption. Any notice of redemption shall be cancelled and annulled if for any reason funds will not be or are not available on the date fixed for redemption for the payment in full of the Series 2015B Bonds then called for redemption. The District and the Paying Agent shall have no liability to the Series 2015B Bond Owners or any other party related to or arising from such rescission of redemption. The Paying Agent shall mail notice of such rescission of redemption in the same manner as the original notice of redemption was sent under subsection (c) of this Section.

SECTION 2.04. *Form of Series 2015B Bonds.* The Series 2015B Bonds, the form of the Paying Agent's certificate of authentication and registration and the form of assignment to appear thereon will be substantially in the forms, respectively, with necessary or appropriate variations, omissions and insertions, as permitted or required by this Resolution and the Bond Purchase Agreement, as are set forth in Appendix A attached hereto.

SECTION 2.05. *Execution of Series 2015B Bonds.* The Series 2015B Bonds shall be signed by the facsimile signature of the President of the Board and shall be attested by the facsimile signature of the Clerk of the Board. Only those Series 2015B Bonds bearing a certificate of authentication and registration in the form set forth in Appendix A attached hereto, executed and dated by the Paying Agent, shall be valid or obligatory for any purpose or entitled to the benefits of this Resolution, and such certificate of the Paying Agent is conclusive evidence that the Series 2015B Bonds so registered have been duly authenticated, registered and delivered hereunder and are entitled to the benefits of this Resolution.

SECTION 2.06. *Transfer of Series 2015B Bonds.* Subject to Section 2.10, any Series 2015B Bond may, in accordance with its terms, be transferred, upon the Registration Books, by the person in whose name it is registered, in person or by his duly authorized attorney, upon surrender of such Series 2015B Bond for cancellation at the Office of the Paying Agent, accompanied by delivery of a written instrument of transfer in a form approved by the Paying Agent, duly executed. The District may charge a reasonable sum for each new Series 2015B Bond issued upon any transfer.

Whenever any Series 2015B Bond or Bonds is surrendered for transfer, the District shall execute and the Paying Agent shall authenticate and deliver a new Series 2015B Bond or Bonds, for like aggregate principal amount. No transfers of Series 2015B Bonds shall be required to be made (a) 15 days prior to the date established by the Paying Agent for selection of Series 2015B Bonds for redemption or (b) with respect to a Series 2015B Bond which has been selected for redemption.

SECTION 2.07. *Exchange of Series 2015B Bonds.* Series 2015B Bonds may be exchanged at the principal Office of the Paying Agent for a like aggregate principal amount of Series 2015B Bonds of authorized denominations and of the same maturity, together with a request for exchange signed by the owner or by a person legally empowered to do so in a form satisfactory to the Paying Agent. The District may charge a reasonable sum for each new Series 2015B Bond issued upon any exchange (except in the cases of any exchange of temporary Series 2015B Bonds for definitive Series 2015B Bonds). No exchange of Series 2015B Bonds is required to be made (a) 15 days prior to the date established by the Paying Agent for selection of Series 2015B Bonds for redemption or (b) with respect to a Series 2015B Bond after it has been selected for redemption.

SECTION 2.08. *Registration Books.* The Paying Agent shall keep or cause to be kept sufficient books for the registration and transfer of the Series 2015B Bonds, which shall at all times be open to inspection by the District upon reasonable notice; and, upon presentation for such purpose, the Paying Agent shall, under such reasonable regulations as it may prescribe, register or transfer or cause to be registered or transferred, on said books, Series 2015B Bonds as herein before provided.

SECTION 2.09. *Book-Entry System.* Except as provided below, DTC shall be the Owner of all of the Series 2015B Bonds, and the Series 2015B Bonds shall be registered in the name of Cede & Co. as nominee for DTC. The Series 2015B Bonds shall be initially executed and delivered in the form of a single fully registered Series 2015B Bond for each maturity date of the Series 2015B Bonds in the full aggregate principal amount of the Series 2015B Bonds maturing on such date. The Paying Agent and the District may treat DTC (or its nominee) as the sole and exclusive owner of the Series 2015B Bonds registered in its name for all purposes of this Resolution, and neither the Paying Agent nor the District shall be affected by any notice to the contrary. The Paying Agent and the District have no responsibility or obligation to any Depository System Participant, any person claiming a beneficial ownership interest in the Series 2015B Bonds under or through DTC or a Depository System Participant, or any other person which is not shown on the register of the District as being an owner, with respect to the accuracy of any records maintained by DTC or any Depository System Participant or the payment by DTC or any Depository System Participant by DTC or any Depository System Participant of any amount in respect of the principal or interest with respect to the Series 2015B Bonds. The District shall cause to be paid all principal and interest with respect to the Series 2015B Bonds only to DTC, and all such payments shall be valid and effective to fully satisfy and discharge the District's obligations with respect to the principal and interest with respect to the Series 2015B Bonds to the extent of the sum or sums so paid. Except under the conditions noted below, no person other than DTC shall receive a Series 2015B Bond. Upon delivery by DTC to the District of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., the term "Cede & Co." in this Resolution shall refer to such new nominee of DTC.

If the District determines that it is in the best interest of the beneficial owners that they be able to obtain Series 2015B Bonds and delivers a written certificate to DTC and the District to that effect, DTC shall notify the Depository System Participants of the availability through DTC of Series 2015B Bonds. A waiver of any default by any Series 2015B Bond Owner shall not affect any subsequent default or impair any rights or remedies on the subsequent default. No delay or omission of any Owner of any of the Series 2015B Bonds to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver of any such default or an acquiescence therein, and every power and remedy conferred upon the Series 2015B Bond Owners by this Article VII may be enforced and exercised from time to time and as often as shall be deemed expedient by the Owners of the Series 2015B Bonds.

Whenever in this Resolution it is provided or permitted that there be deposited with or held in trust by the Paying Agent money or securities in the necessary amount to pay or redeem any Series 2015B Bonds, the money or securities so to be deposited or held may include money or securities held by the Paying Agent in the funds and accounts established under this Resolution and shall be:

- (i) lawful money of the United States of America in an amount equal to the principal amount of such Series 2015B Bonds and all unpaid interest thereon to maturity, except that, in the case of Series 2015B Bonds which are to be redeemed prior to maturity and in respect of which notice of such redemption has been given as provided in Section 2.03 or provision satisfactory to the Paying Agent has been made for the giving of such notice, the amount to be deposited or held shall be the principal amount or redemption price of such Series 2015B Bonds and all unpaid interest thereon to the redemption date; or
- (ii) Federal Securities (not callable by the issuer thereof prior to maturity) the principal of and interest on which when due, in the opinion of a certified public accountant delivered to the District, will provide money sufficient to pay the principal or redemption price of and all unpaid interest to maturity, or to the redemption date, as the case may be, on the Series 2015B Bonds to be paid or redeemed, as such principal or redemption price and interest become due, provided that, in the case of Series 2015B Bonds which are to be redeemed prior to the maturity thereof, notice of such redemption has been given as provided in Section 2.03 or provision satisfactory to the Paying Agent has been made for the giving of such notice.

(d) Payment of Series 2015B Bonds After Discharge of Resolution. Notwithstanding any provisions of this Resolution, any moneys held by the Paying Agent in trust for the payment of the principal or redemption price of, or interest on, any Series 2015B Bonds and remaining unclaimed for two years after the principal of all of the Series 2015B Bonds has become due and payable (whether at maturity or upon call for redemption or by acceleration as provided in this Resolution), if such moneys were so held at such date, or two years after the date of deposit of such moneys if deposited after said date when all of the Series 2015B Bonds became due and payable, shall, upon request of the District, be repaid to the District free from the trusts created by this Resolution, and all liability of the Paying Agent with respect to such moneys shall thereupon cease; *provided, however,* that before the repayment of such moneys to the District as aforesaid, the Paying Agent may (at the cost of the District) first mail to the Owners of all Series 2015B Bonds which have not been paid at the addresses shown on the Registration Books a notice in such form as may be deemed appropriate by the Paying Agent, with respect to the Series 2015B Bonds so payable and not presented and with respect to the provisions relating to the repayment to the District of the moneys held for the payment thereof. Thereafter, the District shall remain liable to the Owners for payment of any amounts due on the Series 2015B Bonds, which amounts shall be deemed to be paid by the District from moneys remitted to it by the Paying Agent under this subsection (d).

SECTION 9.03. *Execution of Documents and Proof of Ownership by Series 2015B Bond Owners.* Any request, declaration or other instrument which this Resolution may require or permit to be executed by Series 2015B Bond Owners may be in one or more instruments of similar tenor, and shall be executed by Series 2015B Bond Owners in person or by their attorneys appointed in writing.

Except as otherwise herein expressly provided, the fact and date of the execution by any Series 2015B Bond Owner or his attorney of such request, declaration or other instrument, or of such writing appointing such attorney, may be proved by the certificate of any notary public or other officer authorized to take acknowledgments of deeds to be recorded in the state in which he purports to act, that the person signing such request, declaration or other instrument or writing acknowledged to him the execution thereof, or by an affidavit of a witness of such execution, duly sworn to before such notary public or other officer.

Except as otherwise herein expressly provided, the ownership of registered Series 2015B Bonds and the amount, maturity, number and date of holding the same shall be proved by the Registration Books.

Any request, declaration or other instrument or writing of the Owner of any Series 2015B Bond shall bind all future Owners of such Series 2015B Bond in respect of anything done or suffered to be done by the District or the Paying Agent in good faith and in accordance therewith.

SECTION 9.04. *Waiver of Personal Liability.* No Board member, officer, agent or employee of the District shall be individually or personally liable for the payment of the principal of or interest on the Series 2015B Bonds; but nothing herein contained shall relieve any such Board member, officer, agent or employee from the performance of any official duty provided by law.

SECTION 9.05. *Limited Duties of County; Indemnification.* The County (including its officers, agents and employees) shall undertake only those duties of the County under this Resolution which are specifically set forth in this Resolution and in applicable provisions of the Bond Law and the Education Code, and even during the continuance of an event of default with respect to the Series 2015B Bonds, no implied covenants or obligations shall be read into this Resolution against the County (including its officers, agents and employees).

The District further agrees to indemnify, defend and save the County (including its officers, agents and employees) harmless against any and all liabilities, costs, expenses, damages and claims which it may incur in the exercise and performance of its powers and duties hereunder which are not due to its negligence or bad faith.

SECTION 9.06. *Destruction of Canceled Series 2015B Bonds.* Whenever in this Resolution provision is made for the surrender to the District of any Series 2015B Bonds which have been paid or canceled under the provisions of this Resolution, a certificate of destruction duly executed by the Paying Agent shall be deemed to be the equivalent of the surrender of such canceled Series 2015B Bonds and the District shall be entitled to rely upon any statement of fact contained in any certificate with respect to the destruction of any such Series 2015B Bonds therein referred to.

SECTION 9.07. *Partial Invalidity.* If any section, paragraph, sentence, clause or phrase of this Resolution shall for any reason be held illegal or unenforceable, such holding shall not affect the validity of the remaining portions of this Resolution. The District hereby declares that it would have adopted this Resolution and each and every other section, paragraph, sentence, clause or phrase hereof and authorized the issue of the Series 2015B Bonds pursuant thereto irrespective of the fact that any one or more sections, paragraphs, sentences, clauses, or phrases of this Resolution may be held illegal, invalid or unenforceable. If, by reason of the judgment of any court, the District is rendered unable to perform its duties hereunder, all such duties and all of the rights and powers of the District hereunder shall be assumed by and vest in the chief financial officer of the District in trust for the benefit of the Series 2015B Bond Owners.
